Aarohan Academy: Stage 1 Research

Competitors, official frameworks and privacy. Research date: 8 November 2026.

Findings are labelled **Verified** (seen on a source) or **Not verified** (needs a manual check). Competitor research is the weakest part, because many local centres appear only as directory listings.

1. Local competitor snapshot

Provider	Location	Classes	What I saw	Source type
BYJU'S Tuition Centre	Roshan Garden, Masudabad, Najafgarh Rd	Grades 4-10, CBSE	Open 10am-7pm; branded chain with Maths and Science focus	Own site (byjus.com)
PW Tuition Centre	Mata Omkar Tower, Najafgarh Thana Rd, Todarmal Colony	Classes 8, 9, 10	Maths and Science offline; English, SST and Hindi online	Own blog (pw.live)
Aakash Institute	Najafgarh centre	Class 8-12, NEET, JEE, NTSE, Olympiads	Competitive-exam focus	Own site (aakash.ac.in)
RJ Coaching Center	Dharampur Extension	Class I-V, VI-VIII, IX-X, XI-XII, entrance exams	Generic listing	UrbanPro
BMA Classes	Prem Nagar Ph-1, Thana Rd	Class 12 review seen	5.0 from 3 reviews; online via Zoom or in person	UrbanPro
Nobel Education Institute	Gopal Nagar Ext.	Class 11 listing	Morning batches 6-7 AM; 5-day week, Saturday for tests and doubts	UrbanPro

Provider	Location	Classes	What I saw	Source type
Rao Mathematics Classes	Prem Nagar	Class VI-VIII upward, plus JEE/NDA	Maths-led	UrbanPro
Sudhir Pathak (individual)	Shiva Enclave	Class 8	20 years' experience, free demo offered	UrbanPro
Laxmi Farswan (individual)	Najafgarh	Class 8-9, CBSE/ICSE	One-to-one or group; 10 years' teaching experience	UrbanPro
Pranjal Tuition Classes	Location not confirmed	CBSE Class 1 to 8	Free Google Sites page; may not be in Najafgarh	Own site

Patterns (verified from the above)

- Chain brands (BYJU'S, PW, Aakash) target Class 4/8 and above, with Maths and Science and exam-oriented positioning.
- Small local centres mostly exist as generic directory listings with no curriculum detail, progress reporting or teacher information.

Not verified

- Google Business Profile ratings, review counts, photos and response behaviour
- Social media presence
- Fees
- Whether the BYJU'S listing is still operating
- Anything specific to Gupta Park

I could not reliably retrieve these, so they need a manual check in Google Maps. Nothing here has been invented.

Tentative opportunity (an inference, not a proven fact)

I found no neighbourhood centre that clearly serves Nursery to Class 8 with published academic content. That suggests room for a small, trustworthy, content-rich centre.

2. Official framework findings

- **New NCERT textbooks:** An NCERT advisory summary says new textbooks for Classes 1 to 8 are developed and available in print and digital form. Class 3 uses Santoor (English), Veena (Hindi), Maths Mela and Our Wondrous World. This comes from secondary sources, so confirm titles on ncert.nic.in before publishing.
- **Third language (R3):** R3 is introduced from Class 6 in 2026-27 and moves up one class each year. The official circular is Acad-17/2026 on cbseacademic.nic.in.
- **Computational Thinking and AI (CT&AI):** CBSE hosts the CT&AI curriculum and handbooks for Classes 3 to 8 for 2026-27 at cbseacademic.nic.in/ct-ai.html. A secondary source reports 50 hours a year for Classes 3-5 and 100 hours for Classes 6-8, assessed by projects and portfolios, not a board exam. Sources disagree on the circular number (Acad-15 versus Acad-18/2026), so cite the official CBSE page only after checking it directly.
- **Recommendation on CT&AI:** Include it only as a light add-on, using unplugged logic puzzles, patterns and sequencing. Aarohan cannot credibly teach "AI" with one classroom and no confirmed teacher training. Schools will deliver it themselves, so Aarohan would only support the underlying reasoning.

Important caveat: Aarohan is not CBSE-affiliated. Every page should say it supports, not replaces, school learning, and should avoid implying official endorsement.

3. Privacy and legal position (DPDP)

- The DPDP Rules, 2025 were notified in the Gazette on 13 November 2025 (G.S.R. 846(E)). Some sources say 14 November, so cite the Gazette.
- Rollout is phased. Consent Manager provisions apply from 13 November 2026, with full operational compliance for most rules by 13 May 2027.
- Processing the data of anyone under 18 requires verifiable parental consent. Tracking, behavioural monitoring and targeted advertising directed at children are barred.
- Schools, healthcare and childcare services receive targeted exemptions. Whether a home-based tuition centre qualifies is **unclear and needs legal review**.

Practical stance until reviewed: collect minimal data, get parental consent in writing, publish no children's photos, names or results, and run no ad tracking or retargeting on child-related pages.

4. Preliminary strategic direction

These are working recommendations, not findings.

- **Positioning:** a small-batch, transparent, parent-communicating learning centre from Nursery to Class 8 for Gupta Park and Todarmal Colony.
- **Differentiators competitors don't show:** published class-wise learning maps, a simple progress report, small batches, a free resource library and bilingual parent guidance.
- **Brand promises to avoid:** marks or rank guarantees, "best in Najafgarh," or any CBSE association.

5. Next steps

From the Aarohan team: search Google Maps for "tuition near Gupta Park" and "tuition near Todarmal Colony". Note the names, ratings and review counts of the top 8-10 results (or take screenshots) so the competitor table can be completed with verified data.

Next research stage: the Nursery to Class 8 curriculum matrix and the 30 Learning Library resources, built on NCERT and NCF sources.
